Spoiled Rotten

PET SITTING & DOG WALKING

Haley & Teresa Luckanuck, founders of Spoiled Rotten Pet Sitting & Dog Walking, would like to thank the Flamborough community for their continued support. Since winning the Young Entrepreneur of the Year award from the Flamborough Chamber of Commerce, Haley has grown her business to an 18 member team that includes large breed and farm animal care. Teresa and Haley enjoy working with both the animals and the owners to create a safe, comfortable and customer focused service. They look forward to many more happy tails in their future.
